

TATA HEXA
Whatever it takes

When the greater good drives power, you do more, you give more. But only those with the strength of character tread this path. For this road is made for those with passion, guts and a steely resolve to achieve perfection.

This is the road that forces you to push your own boundaries and challenge expectations. Live actively in spirit, thought and lifestyle. Go out there. Get things done. And do **WHATEVER IT TAKES** to empower everyone.

DESIGN THAT CREATES AN IMPACT

The Tata Hexa's IMPACT Design Philosophy uses elements created across studios in the United Kingdom, Italy and India. This philosophy brings together design elements to create an immediate impact on first sight and a lasting impression over time. This is displayed in the exciting, expressive and extraordinary details on the exteriors. And exemplified in the inviting, intelligent and intouch interiors of the Hexa. All to perfectly complement your effortless style.

CONTEMPORARY SUV SILHOUETTE

A dynamic floating roof and a wraparound chrome feature line with the Hexa embossing gives the Hexa its signature look.

TATA SIGNATURE GRILLE

A chrome humanity line perfectly accentuates the dual-coloured bumper with the Tata Signature Grille, and creates a bold impact.

SMOKED PROJECTOR HEADLAMPS

Smoked projector headlamps complement the assertive front fascia of the Hexa and give focused illumination for better visibility.

STRIKING DAYTIME RUNNING LIGHTS (DRLs)

Ice cube patterned DRLs seamlessly integrated with stylised fog lamps for striking style and added safety.

SCULPTED INDULGENT SEATS

Premium Benecke-Kaliko™ upholstery with contrast stitches and accentuated bolsters that feel like a perfectly tailored suit.

AMBIENT MOOD LIGHTING

Choice of 8 colours for in-cabin lighting with illumination control and customisation to match your every mood and sets the stage for your drive.

POWER TO OUTPERFORM

Under the hood beats the heart of a beast. Stab the pedal and you'll realise the Hexa is powered for whatever the road throws at it. Courtesy of testing the Hexa over 8 lakh km in extreme conditions, across 3 continents. So, whether you are on the road or off it, this is the vehicle that matches your confidence and calibre.

VARICOR 400 ENGINE

Advanced next-gen 2.2l VARICOR 400 diesel engine mated to 6-speed manual and automatic transmission delivers a class leading 400 Nm torque and 114.73 kW (156 PS) power, for a drive like no other.

AUTO

Automatically adapts to the surface conditions and provides excellent driving stability and traction.

Engine pepped to full power and ESP tuned for excellent manoeuvrability.

COMFORT

Cruise over highways for a relaxed drive with efficient performance.

Perfect balance of power and mileage with optimised fuel utilisation.

DYNAMIC

Adapts to offer a sporty driving experience.

Engine pepped to full power with late intervention of ESP for an exhilarating driving performance.

ROUGH ROAD

Adapts to optimise its drivability over rough terrains.

Intelligent traction control and braking negates the wheel spin for excellent control.

6-SPEED MANUAL TRANSMISSION WITH SUPER DRIVE MODES

First-in-segment* Super Drive Modes offered on the manual transmission variants, give you the confidence to negotiate any terrain with ease and come in concert with mood lighting.

NEW GEN AUTOMATIC TRANSMISSION

The 6-speed automatic transmission featuring the **Sports Mode with Auto-sensing Race Car Performance** which adapts to your spirited driving pattern, delivering an enthralling performance.

ALL WHEEL DRIVE (AWD)

Electronically controlled All Wheel Drive (AWD) system by Borg Warner™ with the Torque on Demand feature to enhance your off-road driving experience.

INFOTAINMENT THAT DRIVES EXPERIENCES

Experience fine acoustics in motion and discern every note with the custom designed Harman™ system. With over 1000 hours of acoustic perfecting, it truly feels like a concert.

Stay connected, stay entertained and stay amazed with a hextraordinary suite of apps. With that and so much more, it's no wonder that every drive is an experiential adventure.

Juke-Car App

NaviMaps App

Tata Smart Remote App

CONNECTNEXT INFOTAINMENT SYSTEM BY HARMAN™

Exclusively designed 12.7 cm (5") touchscreen system with voice command recognition, video playback and superior connectivity features, ensures that you and your entertainment are never far apart.

CONNECTNEXT APP SUITE

Navigate with integrated 3D maps using screen mirroring technology with the NaviMaps App. Let every passenger take part in creating a common playlist with the Juke-Car App using mobile hotspots. Control everything from the audio and lighting, to the media screen with the Tata Smart Remote App. Everything from fun to function, at your fingertips.

10 SPEAKER JBL™ SYSTEM

Enjoy a 320 Watt DSP amplifier that powers 10 strategically located high fidelity speakers including a specially designed subwoofer, that creates a theatre-like experience.

THE CONFIDENCE OF ABSOLUTE SAFETY

Power is best handled responsibly. And it's only natural that the Hexa comes packed with a comprehensive safety suite that ensures vehicle stability and absolute safety. So be rest assured, you're secure and in control, wherever your drive takes you.

6 AIRBAGS

Front, side and curtain airbags - absolute safety for every occupant.

HILL HOLD CONTROL AND HILL DESCENT CONTROL

Hill Hold Control (HHC) automatically activates to prevent the vehicle from rolling backwards on up-hill drives. Hill Descent Control (HDC) controls descent on inclined surfaces for added safety.

ELECTRONIC STABILITY PROGRAM (ESP)

ESP with roll-over mitigation to monitor driving stability and traction to turn difficult roads into easy drives.

TRACTION CONTROL SYSTEM

Acts as a control system to prevent excessive wheel slip, which ensures minimal loss of traction and maintains your grip on the road.

ANTI-LOCK BRAKING SYSTEM (ABS) WITH ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

ABS with Electronic Brake-force Distribution optimises braking distance and warrants vehicle stability, making sure you are always in control of your drive.

COMFORT INSIDE OUT

While the Hexa is built to challenge every terrain, inside every detail is crafted to spell comfort. Step in and uncover a world of features to keep the outside world, outside.

8-WAY ADJUSTABLE DRIVER SEAT

Personalise the seat using horizontal, vertical, angular recline and lumbar controls to ensure the most comfortable seating position for you.

FLEXI SEAT CONFIGURATION

The 2nd row is offered with the option of Captain or Bench seats. The 2nd & 3rd rows are available with multiple folding configurations that can release up to 671L of space.

AUTOMATIC CLIMATE CONTROL WITH DUAL HVAC

Automatically maintains cabin temperature with personalised air flow and speed control through AC vents in each row.

AUTOMATIC HEADLAMPS

The headlamps switch on instantly and automatically when they sense that the light outside is dim, so that your focus on the road stays sharp and bright.

RAIN SENSING WIPERS

These intelligent and automatic wipers work with 7 speed modes for varying rain intensity to keep your visibility high, no matter what.

POWER ADJUSTABLE ORVM

Electrically adjustable and foldable Outer Rear View Mirrors with demister add to your convenience.

CRUISE CONTROL

Enhance your highway experience with Cruise Control available at the touch of a button.

INTUITIVE UTILITY SPACES

Thoughtfully designed utility spaces for all three rows and a cooled glovebox add function and form to your drive.

ADVANCED DRIVER INFORMATION SYSTEM (DIS)

A progressive twin pod instrument cluster with 8.89 cm (3.5") TFT screen and multi-coloured graphical user interface brings all vital vehicle information to you, in the most convenient way possible.

SUN BLINDS

In-built retractable blinds for 2nd row windows protect passengers from the sun to make them feel more comfortable than ever.

SMART USB CHARGER

Enables fast charging depending on the profile of the device plugged.
